Are your proposals missing the mark?

All that work and prospects still don't want to commit to your project.

Frustrating!

Let **Mindwalk** Help You **Pump Up Your Proposals!** Pump Up Your Conversions!

Mindwalk has been working with creative professionals like you since 2004 to increase the success of your proposals. Specifically, we help you with marketing, sales, pricing, and operations. We would like to invite you to learn more about these success strategies. Call us [1\(276\)555-1234](tel:1(276)555-1234) or email us info@pumpupyourproposals.com to schedule a *free* 30-minute 1-1 coaching session to be conducted over the phone.

Tell Me More About **Pump Up Your Proposals**.

*This coaching service is a hands-on service, taking place face-to-face in your place of business. This is scheduled for 4 hours. Gather your key staff because everyone's feedback is important.

***Mindwalk** reviews and analyzes your prior proposals and advises how to make them more persuasive. Can I persuade you to increase your conversions?

*We go over results of the analysis together and discuss findings of the analysis.

*Mindwalk identifies areas for improvement and clearly explains what to change and how to make these changes to increase persuasiveness.

*Mindwalk will evaluate your operating processes and procedures to see if these impact time management. Improvements here may enable you to accept additional projects-and at increased rates!

*Together we will consider what you want to accomplish with your clients and will then create/update the template.

*Together we create a customized proposal checklist for your ongoing use.

*Mindwalk will review your new web page (up to six months after completion of the project).

This is the rate at which Mindwalk clients, on average, report their proposal "win rate" after having implemented Pump Up Your Proposals

The coaching program was the best money we've ever spent. The new proposal template we developed with the Mindwalk coach helped us win five new web design projects, and at a top price. We probably would have not got those projects otherwise. Belinda S., Southwest Virginia
